The Secretary

Manchester United Supporters Club

Cape Town Branch

October 2009

We would like to thank your club for the assistance and cooperation it has afforded our institution with our research around the different fan cultures around the city of Cape Town. Your contribution will add much value to the exhibition, which will open at the Basler Afrika Bibliographien in Basel, Switzerland, and the **Fields of Play** exhibition currently housed in the District Six Homecoming Centre at Buitenkant Street.

We would also like to commend your professionalism and your dedication to Manchester United. We regard your supporters' club as worthy ambassadors for the Manchester United Football Club. We hope to continue the relationship we have forged long into the future.

Wishing you the best in your endeavours both on and off the field.
